Korn/Ferry International – Meetings/Meals/Reception – December, 2010

I just wanted to take a moment to thank you both for your efforts with our Financial Officer Practice meeting this week at The Colony. Every detail from the check-in to the meeting spaces, hospitality suite, food, and service was incredible. The feedback from the team included comments such as "the bar has been set high with this meeting", "this is the best KFI meeting I've attended, including a recent meeting in NYC", "the food at corporate meetings typically isn't very good, but all of the meals -- breakfast, lunch, cocktails -- has been wonderful".

I know how much work goes into planning an event - and how much more work goes into planning a truly memorable event, and you and your team organized a memorable event, for which I am grateful.

Please pass along my thanks to the staff that oversaw our meals, meeting space and the hospitality suite. They were professional, discrete and very attentive to any and all requests.

Birthday Celebrations – July, 2010

I wish to thank you and the staff at The Colony for the excellent service and attention to detail during my recent 60th birthday celebration as well as for my mother Julia's birthday one week later.

The memorable evening that Gary had planned at the Gallery for my birthday was perfect in every way. We enjoyed a wonderful dinner with family and friends, a birthday cake that was truly award-winning and servers Alberto and Tia who deserved an award; they were excellent...as was the cuisine! Thank you Mylene.

On my mother's birthday we attended the Royal Room and enjoyed a wonderful dinner and the performance of Karen Oberlin...everyone made mom feel like a celebrity as we continued the evening in Polo.

We are most grateful to all who made both of our birthday celebrations so perfect and so memorable at The Colony.

Leonard Walas [Birthday Celebrant]

M&A Advisor – Meetings, Lunch, Awards Gala Dinner, Room Block – March, 2010

I am writing to thank you (Ruth) for your invaluable contribution to the success of the 4th Annual Distressed Investing Conference & Turnaround Awards Gala. You provide the perfect setting and all of the amenities for this event.

And while all of your team were friendly, helpful and considerate I do wish to call special attention to Michael McKinney. From the moment we arrived until the last boxes were packed up to return back to New York, Michael was ever present. And while that in itself is admirable, his positive “I’ll get it done – that’s not a problem” demeanor, his attention to every detail and his foresight were most appreciated. It was an absolute pleasure to work with Michael, from beginning to end he acted like he was a part of our team. What more could we ask for?

David Fergusson [Advisory Board Director]
