

Prescott/Perera Wedding –Rehearsal Dinner/Bridal Breakfast – December, 2011

*I wanted to tell you thank you for everything! Our wedding weekend was the most perfect weekend I could ever have imagined! From the second my mom and sister dropped off the gift bags at the front desk, they were greeted with such warm smiles and helpful people. Shawn who assisted us several times through out the weekend could not have been more helpful (ALL weekend). The front desk was quick to assist us with anything we needed in a quick and timely manner. The Rehearsal dinner was PERFECT: The food, the TV brought down for the slideshow, the dessert & chocolate fountain, the bar tenders, EVERYTHING! The breakfast was very nice, and everyone really enjoyed it! I just wanted to thank you and everyone at The Colony for being sooooo WONDERFUL, and for making our wedding weekend so stress free. THANK YOU! Brett and I look forward to coming back to stay at your hotel for our first anniversary (if not before).

Jenks/Harvey Wedding - Ceremony/Reception Dinner – June, 2011

*The décor was awesome and so was the performance by you and your staff. Many of my guests were from NYC and have stayed at The Breakers and they said they would never go back. They loved the intimate, retro feel, and personalized service. We all felt like we had the run of the place for the entire time.

Gyuricza-Root Wedding – Rehearsal Dinner – May, 2011

Noelle: Thanks so much for making our wedding celebration such a success. The Colony was a perfect setting. The food was perfect. Everything was perfect even the weather. ...please pass this note on...so that you are recognized for your high class professional work. Everything was PERFECT and AMAZING.

*Chef Steve: The food at the Rehearsal dinner was amazing. The Salmon & Chicken – WOW just amazing. I can't tell you how many compliments we got on the food. Both dishes should be regular menu items. If there was a contest – not that there was- you WON. No question. The cheesecake too was AMAZING. I could not have done better anywhere.

Noelle: Now that we're back from Italy, I wanted to reach out to say Thank You (!!) for ALL that you did to make our wedding day, and weekend with our friends and family so special. We had an absolutely wonderful time, and have heard lovely feedback from many of our guests. Your time, care and willingness to work with us were such a delight! You were an invaluable resource as we planned from NYC, making each step in the process easier and less stressful.

Thank you again for everything. We look forward to coming back to The Colony again soon.

Mares & Blische Wedding– Ceremony/Reception/Dinner – April, 2011

Noelle - I want to thank you for all your help with the planning of Rachel and Justin's wedding. I appreciate your patience and for always answering our questions and always getting back to us quickly. I knew we could count on you.

I also want to thank you for the amazing ballroom set up! The tables were set, the chair sashes tied, the escort card and gift tables were set up, the favors placed, and everything was absolutely perfect. The servers were exceptional. The hors d'oeuvres and entrees were delicious. The entire event exceeded our expectations.

I appreciate your help with the ceremony music since our musician didn't show. You and Lindsay saved the day so at least there was processional and recessional music! We also enjoyed music at the Cocktail Hour thanks to you!

The Colony was wonderful.

Thanks again for everything.

***Patterson/Pisarkiewicz Wedding – Rehearsal Dinner/Wedding & Reception
Dinner/Sunday Brunch – May, 2010***

My family and I were fortunate to be able to stay at your facility this past weekend. We attended the Patterson Rehearsal party, Wedding and Sunday brunch.

What a fantastic experience. You should be very proud of your facility and staff. It was obvious that the greatest attention is being paid to every detail. The facility was beautifully appointed with both potted and flowering plants around the pool area and the color scheme brought out the essence of tropical Florida.

Our meals were well above what I have previously experienced at hotel weddings and the filet was among the best I have had, cooked to perfection. Appetizers were original and well delivered.

It was obvious the staff enjoys their position at your facility in that they take exceptional pride in all that they do for their guests. Their attentiveness to their guests was performed with care and the desire to create a wonderful experience. Which they did and to which we are grateful.

Again thank you for a wonderful weekend.

I wanted to thank you AGAIN for all the wonderful things you did to make the magic happen for Leslie's wedding. The Villa was so perfect for all of our needs and helped make a dream come true. The same goes for the breakfast, drinks and beauty of the service and reception space. It was WONDERFUL.
